

WE KNOW THEY DON'T CARE

*Their only concern is to
keep the university machine
running smoothly.*

The legislators, bureaucrats, and administrators who have control over UNO don't care if we suffer. We need a university controlled by the students, faculty, and workers who ARE the university. Otherwise we will continue to be targeted, while administrators' salaries continue to explode every year.

**DON'T BEG THOSE WHO NEVER LISTEN.
STRIKE//OCCUPY//TAKEOVER**
